Did you want to comment on this? I have heard from everyone else and will wait to incorporate everything until I hear from you. Can you let me know if you plan to comment by the end of the week? Thanks!

Attached are my comments on the draft DB consultation talking points that Valois sent us for review. Mike and Kim – have you commented on this? If you haven't, maybe you guys edit within my version so that we can provide them one set of comments? Sara, I have included you because there is one paragraph on the Air program role. Paul, feel free to comment as well. Also, let me know if you do not have comments.

Thanks, Lucita
